

HEAD AND NECK CANCER: The 'Curable' Cancer That Kills Over Half Of All Sufferers

**TUESDAY 24th SEPTEMBER
13:00–15:00 IN ROOM A3H-1**

As part of the first European Head and Neck Cancer Awareness Week 23-27 September 2013 the European Head and Neck Society (EHNS) and the European Cancer Patient Coalition (ECPC) are pleased to invite you to the launch of a White Paper which will address the urgent need for improved awareness, diagnosis and referral of head and neck cancer patients throughout Europe.

The meeting will be chaired by Daciana Sarbu.

Following the meeting a 'CALL TO ACTION' will be sent on behalf of the European Parliament to the European Commission.

For registration please contact: mihaela.militaru@ecpc-online.org
