

Converging Worlds: Spectrum Coexistence for a Future-proof Connected Europe

The **European Forum for Spectrum Coexistence (EFSC)** invites you to **SAVE THE DATE - December 4** - for a panel discussion and open debate on bridging the divide between radio spectrum policy and equipment regulation

When: **5:00pm - 6:30 pm Tues. December 4**
(followed by a cocktail reception until 8pm)

Where: **Sofitel Brussels Europe**
(Place Jourdan 1)

There is no cost for this event but prior registration is required. Please register with jessica.fernandez@cable-europe.eu as spaces are limited. Please note that this invitation is personal.
