INVITATION

Better access for all with sustainable financing systems:

The role of the private sector and new innovations to achieve UHC

World Health Assembly

Geneva, Switzerland

25 May 2018

19:00 – 19:50

Official Side Event

@ Palais des Nations

Room IX

The session will have a multi-stakeholder panel comprised of Ministries of Health, WHO, World Bank and the private sector.

The Objectives include:

- To learn from experiences from WHO, World Bank and various Member States;
- To share best practices towards improvement of health systems through patient-centered approaches and better understanding benefits of new financing models;
- To discuss new medical technology innovations and medicines that can tackle NCD's to improve access to UHC;
- To agree on a set of critical multi-stakeholder recommendations.
